Description

Haven Motor Holdings are proud to present this 2018 Mercedes-Benz C Class C200 SE Executive - This Mercedes is a great looking estate car, with Mercedes sophisticated styling combined with the smart Tenorite Grey paintwork and 17" alloy wheels. Being less than 2 years old, this C200 is in lovely condition and drives beautifully with a smooth automatic gearbox

and powerful 2.0 litre petrol engine which is capable of returning over 55 MPG. As this is the estate model of the C Class, it is very practical due to a large boot and comfortable interior. As you'd expect, this C Class has a very high specification which includes full leather, heated seats, electric seats, electric boot, reversing camera, Bluetooth, DAB radio, cruise control and auto lights. Also included with this Mercedes is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, and first MOT due in February 2021. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks.
