### Description

Haven Motor Holdings are proud to present this 2015 Ford B-Max Zetec TDCI - This Ford B-Max has been extremely well looked after, covering just 10109 miles from new, so it's no surprise to see it is in fantastic condition inside and out, and drives beautifully with a smooth engine and gearbox. Its spacious interior, large boot and practical sliding rear doors providing great access and being able to open fully in tight spaces, makes the B-Max an ideal family car, especially combined with the very low running costs from the 1.5 litre diesel engine which is capable of returning over 68 MPG and

costs just £20 to tax. Presented in the modern Moondust Silver paintwork with stylish alloy wheels, this B-Max looks great. This Zetec model has a specification including DAB radio, Bluetooth, multi-function steering wheel, and USB/Aux inputs. Also included with this Ford is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and a 12 month MOT upon sale. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car.
