Description

Haven Motor Holdings are proud to present this 2016 Volkswagen Caddy Maxi C20 TDI Startline - As this Caddy is a Maxi model, it benefits from having a larger load area, making it an ideal works van, especially with the twin side loading doors and rear doors making it easily accessible. Its smooth 2.0 litre diesel engine and manual gearbox not only make it easy and enjoyable to drive, but also gives it the ability to return upwards of 60 MPG. Having been well looked after, this Volkswagen is in nice condition, and runs and drives exactly as it should. This Startline model looks great presented in White and has a

specification which includes air conditioning, DAB radio, Bluetooth, USB input and heated mirrors. Also included with this Caddy Maxi is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and MOT until January 2021. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Admin fee applies.
