## Description

Haven Motor Holdings are proud to present this 2019 Vauxhall Corsa Griffin - This Vauxhall Corsa is an ideal daily or first car, as it benefits from being in a low insurance group, with a 1.4 litre petrol engine that's capable of returning upwards of 50 MPG, and is very easy to drive with a light clutch and 'City' steering mode. Despite being a small hatchback, which also makes it easy to park, this Corsas generous boot and 5-door layout makes it practical for daily use and having covered just 10895 miles with 1 owner from new, it's no surprise that it not only runs and drives exactly as it should, but is also in great condition throughout. Presented in the eye-catching Flame Red with Black 16" alloy wheels, it looks great, and as it is a Griffin model it has an extensive specification including Sat Nav, Bluetooth, DAB radio, heated seats, heated steering wheel, cruise control, multi-function steering wheel, auto lights, USB input, and air conditioning. Also included with this Vauxhall is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and its first MOT is due in February 2022. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Appointment only as social distancing is in practice with sanitisation stations available and we are also offering non-contact collection. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Maintenance fees applicable.
