Description

Haven Motor Holdings are proud to present this 2019 Volkswagen T-Roc Design TSI EVO - This Volkswagen T-Roc would make an ideal family or daily car, with great practicality from its spacious interior and large boot, combined with economical running costs from the 1.5 litre petrol engine. Having been very well cared for by 1 owner from new, covering just 20146 miles, it's no surprise that this T-Roc is not only in great condition throughout, but also runs and drives very nicely with a smooth engine and 6-speed manual gearbox. The smooth drive and light clutch and steering make this a great car to drive on a daily basis, and this particular VW looks smart presented in Pure White with contrasting Black roof, and 17" alloy wheels. This Design model has a specification which consists of DAB radio, Bluetooth, reversing camera, Apple Carplay/Android Auto, heated front seats, climate control, USB inputs, cruise control, multi-function steering wheel, auto lights, and heated electric-folding mirrors. Also included with this T-Roc is 2 keys, a HPI clear certificate, 12 months AA roadside recovery and its first MOT is due in March 2022. All specification is auto-filled by a separate site which means the

specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Appointment only as social distancing is in practice with sanitisation stations available and we are also offering non-contact collection. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Maintenance fees applicable.
