Intermittent front wash/wipe

Description

Haven Motor Holdings are proud to present this 2018 Hyundai I800 CRDI SE - This Hyundai I800 is a hugely practical family vehicle, with the ability to seat 8 people in comfort, as well as having a large boot space, and with a 2.5 litre diesel engine it's capable of returning upwards of 37 MPG. Presented in Hyper Silver Metallic with alloy wheels, this Hyundai looks smart, and since it has covered just 14173 miles from new, it's no surprise to see that it's in nice condition and runs and drives exactly as it should. This SE model has a specification which includes Bluetooth, heated drivers seat, parking sensors, multi-function steering wheel and Aux/USB inputs. Also included with this Hyundai is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and an advisory-free MOT until March 2022. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty

options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Appointment only as social distancing is in practice with sanitisation stations available and we are also offering non-contact collection. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Maintenance fees applicable.
