## Description

Haven Motor Holdings are proud to present this 2016 Nissan Juke Visia DCI - This Nissan Juke is an ideal family car due to its good sized boot and spacious interior, combined with very economical running costs from the 1.5 litre diesel engine which is capable of returning upwards of 70 MPG, and due to its low emissions, road tax is just £20. Presented in Garnet Black Metallic with 16" Black alloy wheels, this Juke looks great, and having covered just 44972 miles from new, it's no surprise that it's in nice condition throughout, and runs and drives very nicely. Also included with this Nissan is a HPI clear certificate, 12 months AA roadside recovery, service history and an MOT until February 2022. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Appointment only as social distancing is in practice with

sanitisation stations available and we are also offering non-contact collection. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Maintenance fees applicable.
