### Description

Haven Motor Holdings are proud to present this 2016 Volkswagen Caddy C20 TDI Highline - This Caddy is a brilliant works van with its good sized load area which is easily accessed through the rear doors and sliding side door, as well as having the ability to return upwards of 61 MPG, so running costs are low. Presented in White, with alloy wheels, this Caddy looks smart, and having covered just 30581 miles from new, it's no surprise that it runs and drives beautifully with a smooth engine and manual gearbox. As this is a Highline model, it has an excellent specification including DAB radio, Bluetooth, parking sensors, heated front screen, cruise control, auto lights, USB input, heated mirrors and air conditioning. Also included with

this Caddy is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and a new 12 month MOT upon purchase. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car. With competitive finance & warranty options, we only sell high quality used cars, each having been inspected by our skilled, trained technicians & are complete with comprehensive integrity & finance checks. Appointment only as social distancing is in practice with sanitisation stations available and we are also offering non-contact collection. Haven Motors is West Sussex's long established used car retailer with an expansive new & used car showroom with over 100 used cars to choose from today. Why would you buy anywhere else? Haven Motors, family run & family focused - assurance guaranteed. Maintenance fees applicable.
