## Description

Haven Motor Holdings are proud to present this 2009 Honda Jazz I-VTEC EX I-Shift - This Honda Jazz is an ideal daily run-around as it is very easy to drive with its automatic gearbox, and is also economical with the 1.3 litre petrol engine that's capable of returning upwards of 50 MPG. Despite its compact size which makes it easy to park, this Hondas generous boot and 5-door layout make it a practical car to use everyday. Presented in Milano Red with alloy wheels, this Jazz looks great and has had only 2 owners from new covering just 66548 miles. As this is an EX model, it has a specification which includes parking sensors, climate control, multi-function steering wheel with cruise control, panoramic roof, auto lights/wipers, Aux &

USB inputs and heated electric-folding mirrors. Also included with this Honda Jazz is 2 keys, a HPI clear certificate, 12 months AA roadside recovery, service history and an MOT until February 2022. All specification is auto-filled by a separate site which means the specification list below may not match the exact one of the car.
